5. You do not need to look both ways before crossing the street. — **False (F)**

D. Answer the following questions

1. **What should you do if a stranger asks you to go with them?**

- **Answer:** You should say no loudly, run away from there, and immediately tell a trusted adult.

2. Why is it important to wear a seatbelt in the car?

- **Answer:** It protects you from sudden jerks or accidents and prevents serious injury.

3. How can you stay safe on the playground?

- **Answer:** Follow the rules of the playground and do not push or shove others while playing.

4. What should you do in case of a fire at home?

- **Answer:** Immediately get out of the house to a safe place and call the fire emergency number (101).

5. Why is it important to stay in groups when outside?

- **Answer:** Staying in groups deters strangers from approaching you and ensures help is always nearby.
